

**PROPOSAL FOR FURTHER LINKS BETWEEN
THE FACULTY OF DENTISTRY, PRINCE OF SONGKLA UNIVERSITY
AND
SCHOOL OF STOMATOLOGY, SHANGHAI JIAOTONG UNIVERSITY OF CHINA**

The Faculty of Dentistry at Prince of Songkla University has had a healthy relationship with the School of Stomatology, Shanghai Jiao Tong University. The Faculty of Dentistry, Prince of Songkla University would like to develop and strengthen relationship with the School of Stomatology, Shanghai Jiaotong University. Thus, the following proposal has been put forward for consideration for the purpose of further development of this valuable relationship.

THE PROPOSAL

1. We would like to invite Professor Zhang Chenping and the Associate Professor Ji Tong, as Honorary to the Faculty of Dentistry, PSU to conduct a workshop on microsurgery and reconstruction in oral and maxillofacial surgical patient and/or to operate patients in the operating theater once a year.

The Faculty of Dentistry, PSU would be able to provide accommodation and round airfare to and from Bangkok.

2. An elective programme between the two faculties of both universities for our staff will allow them to do their clinical attachment at Ninth People's Hospital, School of Stomatology, Shanghai Jiaotong University on the following areas:

- Tumor surgery
- Reconstruction
- Microsurgery

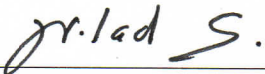

3. The institution acknowledge that all visits of staff and the admission of students will be subject to compliance with entry and visa regulations of Thailand and China, and the institutions' requirements in respect of student admission and staff appointments.

4. The administration of this agreement shall be in the hands of the Office of the international relations and the Registry at Prince of Songkla University of Thailand and the Ninth People's Hospital, School of Stomatology of Shanghai Jiaotong University.

5. This agreement shall remain in force for a period of three (3) years from the date of the last signature on the understanding that it may be automatically renewed for another term of three years upon each expiry. The agreement may also be terminated by either party giving six months prior notice to the other party in writings.
6. This agreement may be amended by the exchange of letters between the two institutions. Such amendments once approved by both institutions, will become part of this Memorandum of Understanding.
7. The activities related to the agreement will be included
 - a) Staff training focus on Oral and maxillofacial surgery in the advanced level. In the period of 6 month – 1 year for 2 persons at the Ninth People’s Hospital, School of Stomatology, Shanghai Jiaotong University China.
 - b) Clinical and research visiting for departmental staff: 1 person each year within 2-4 weeks period.
 - c) Post-graduate students clinical and research project: 1 person each year within 1-3 months period.

The necessary budgets for these activities will be mutually supported by both universities.

IN WITNESS THEREOF, The parties hereto have offered their signatures:
