

# CHECK FOR THESES WITHOUT PLAGIARISM

## Procedure through the Turnitin Program

Present an originality report of thesis/minor thesis book together with manuscript of thesis/minor thesis to your advisor during a research conduct

During a thesis/minor thesis conduct

### Steps of request for thesis/minor thesis examination

Submit an originality report of thesis book and manuscript of thesis/minor thesis to your advisor and an examination committee prior to a defense date for 30 days

Submit an originality report presenting similarity index and GS14 - GS14/1 to your advisor, faculty respectively

Before bounding a thesis/minor thesis book

### Preparation for bounding a completed thesis/minor thesis book

A faculty offers an originality report, GS14 - GS14/1 to the Graduate School as the final round prior to make a bounding thesis/minor thesis book

An originality report result informed by the Graduate School (Check for plagiarism), a completed thesis/minor thesis must be submitted.

GS14 Originality Report

| Similarity Index  | Internet Sources | Publications | Student Papers |
|---|------------------|--------------|----------------|
| 17%   | 12%              | 11%          | 5%             |
| kb.psu.ac.th  | 2%               |              |                |
| Submitted to Prince of Songkla University   | 1%               |              |                |
| Li-Hsiang Lin, Guo-Wei Huang, Chin-Sung Chen, "Etiology and Treatment Modalities of Anterior Open Bite Malocclusion", Journal of Experimental & Clinical Medicine, 2013   | 1%               |              |                |
| Pannapat Chamaneer, Chairat Charoemratrote, "Maxillary anterior gingiva and dentoalveolar changes after en-masse retraction between thick and thin gingival biotypes", American Journal of Orthodontics and Dentofacial Orthopedics, 2022 | <1%              |              |                |
| doi.org   | <1%              |              |                |
| ndpi-res.com  | <1%              |              |                |

Apply Turnitin Program to check plagiarism & No percentage of Similarity Index required

Texts or concepts derived from the other's work must cite the original sources, and appropriately paraphrase.

Rule of 2 lines (No more than that) Texts from the others' works that are 2 consecutive lines or longer (or nearly consecutive)

Allowed originality report from theses, minor theses, and publications of students or statements that paraphrasing is impossible or very hard (but original sources are appropriately cited).

Illustrations must be cited by theses, minor these, no plagiarized with other works.

Statements should not be paraphrased (but original sources are appropriately cited) such as statements from law, chemicals, mathematical equations etc
