

Memorandum of Understanding
Between
Faculty of Dentistry, Prince of Songkla University, THAILAND
And
SIBAR Institute of Dental Sciences, INDIA

Faculty of Dentistry, Prince of Songkla University (PSU), Thailand, and **SIBAR Institute of Dental Sciences (SIDS)**, India, believe that mutual benefits can be derived by bridging their two universities, achieving a closer relationship by linking their scholars, students, and personnel. Both Universities share the strong conviction that mutual understanding among people can be promoted through the establishment of academic links. Therefore, both universities agree to enter into this Memorandum of Understanding.

Article I: Principle of Cooperation

PSU and SIDS agree to develop their academic links under the principle of mutual understanding, mutual benefits, common interests, and mutually complementary activities.

Article II: Objectives of Cooperation

- (1) to promote individual contacts among scholars, students, and personnel of both institutes,
- (2) to promote links in teaching, research, and cultural activities,
- (3) to provide opportunities for both staff and students exchanges, however, such exchange need not be equally reciprocated,
- (4) to develop and to encourage joint research, seminars, conferences, workshops, and to also assist each other in obtaining external funding from outside sources,
- (5) to develop, when opportunities avails, joint study programs,
- (6) to support the exchange of academic materials,
- (7) to share experiences and expertise concerning university administration and management,
- (8) to encourage any other activities that both universities agree to be of mutual benefit.

Article III: Areas of Cooperation

Areas of cooperation can include any academic or other programs offered by PSU and SIDS.

Article IV: Implementation

It is understood and agreed that:

- (1) Proposals for collaborative projects under this MOU will be submitted through the Chief Executive Officer of each institute, and it is recommended that reports should be submitted to each Chief Executive Officer at the completion of each project.
- (2) Each institute will continue to pay the regular in-country salary of its staff members on exchange or visiting programs. However, under specific contracts or secondments, the host institute may consider paying a supplemental salary to visiting scholars during the period of their assignment.
- (3) To encourage student mobilization, the host institute will assist in every way it could in finding reasonable accommodation for participating students.
- (4) Student mobilization will apply to undergraduate and graduate/post graduate students at both institutes.
- (5) Financial arrangements for collaborative research, seminars, workshops, conferences, and other such activities will be negotiated separately and will be subject to the availability of funds.
- (6) The host university is not responsible to cover the costs of medical treatment or hospitalization for visiting scholars or students, and it is recommended that visitors obtain overseas health insurance coverage from their home country.

Article V: Duration and Termination of the Agreement

- (1) This MOU is effective as of the date of signature by the Chief Executive Officer of each participating institutes.
- (2) This MOU may be amended at any time as indicated by written mutual consent.
- (3) This MOU may be terminated by either institute by the provision of written notice of termination not less than six months prior to the desired termination date. However, both institutes agree that all continuing obligations to students, staff, funding bodies, or other entities are met in full subsequent to the notice of termination.
