

Both parties agree upon the following:

- To collaborate in the field of health scientific research, education, services, cultural exchange, and practical training.
- To exchange faculty and students for short- or long-term research and educational purposes.
- To share information about research, education resources and programs.
- To organize symposia, conferences, short courses and meetings on research issues.

Faculty from each party may undertake short-or long-term exchanges for collaboration in research, education and health services. Appointments, titles and qualifications will be agreed upon in advance after due consultation.
